***Press Conference to announce
Green Certified Businesses!***

Have you been considering getting your business green certified? Well you might want to do it now to take advantage of the free press on **April 20th** as we recognize and announce businesses that that have taken voluntary steps to protect, preserve, and improve the environment.

Questions?

Call Lamees Mubaslat at (937)225-6423

New Website

We are very happy to announce that we have launched the new DRG3 website!

We need to give a big **thank you** to two of our interns, Jada Williams and Thomas Blurton, for designing and building the website, and to contractor Eric Ditmer for building the calendar! We think it looks fantastic!

Check out: www.drg3.org

February's Luncheon

A huge thank you to everyone who was able to make it out to the last luncheon where we introduced the 'Bring Your Green' competition! If you missed it, you can find out more about what was discussed by [clicking here](#). Stay tuned to find out when we'll be hosting our next luncheon!

Go Green to Save Green!

You can now choose the "Get More Green" plan from DP&L Energy! Every month, 100% of your electricity purchase will include renewable energy certificates ("RECs"). Enrolling supports the continued development of renewable electricity production as well as the DRG3 initiative to increase the sustainability of the Dayton area.

LEARN MORE

Call for Artists

Design a Storm Drain Mural!

Local artists can now help the Department of Water spread the word that "When It Rains, Dayton Drains!" They are seeking artists to design and paint downtown storm drains for the 2015 Storm Drain Artscapes project.

LEARN MORE

Newly Certified Businesses

We have 4 new green certified businesses:

Green Drinks

We would like to thank everyone who was able to make it out to the February Green Drinks event at Blind Bob's. The next Green Drinks will be held at Salar on March 25th.

Ohio's Energy Future Tour

When: Monday, March 16, 2015

Where: Sears Recital Hall, University of Dayton

This event is designed to engage Ohio citizens, businesses, and local communities in development of an energy vision that lowers costs, creates jobs, and improves public health and the environment.
