Bring Your Green Challenge

The Bring Your Green Challenge is a **friendly year-long contest** built around sustainable practices and increasing your bottom line. Prove just how green savvy your business and employees are by giving your

workplace a serious conservation workout. Reduce your resource consumption and enter to win **cash prizes**. Points will be awarded in four categories: energy, water, waste, and employee engagement.

May Sustainability Luncheon

Join us Thursday, May 14th at 11:30am for the **May Sustainability Luncheon** on Marketing and Brand Strategy. The event will take place at the Top of the Market Banquet Center and will feature speakers Eric Norenberg (City Manager for City of Oberlin) and David R. Yarborough (Senior Vice President at PNC).

Additionally, there will be a **\$500 Raffle** for businesses that have entered the **Bring Your Green Challenge** and attend this luncheon. *You must be present to win.* This is definitely a luncheon you do not want to miss!

**Energy Workshop for Houses of Worship**

Join faith communities from throughout the Miami Valley...

7-9 pm, Tuesday, May 19th

Westminster Presbyterian Church

125 N. Wilkinson St, Dayton, OH 45402

...To learn how your house of worship can receive a free energy audit, access enhanced rebate credits for energy efficiency improvements and even fund those improvements using future energy cost savings. Presenters will include Dayton Regional Green introducing our *Bring Your Green* challenge program; local utilities explaining rebate options and criteria for saving on energy improvements; and Energy Optimizers, USA describing PACE government funding to finance those improvements.

Sponsored by Ohio Interfaith Power and Light in conjunction with the Dayton Interfaith Collaborative for the Environment.

Free parking is available in the lot directly across from the front doors of the church, on First Street.
